Shipment of Household Effects for [REDACTED]

25X1
1. Memorandum dated 13 December 1949 from the Assistant Director for Operations requests approval for the movement of household and personal effects weighing 16,084 lbs. gross belonging to the subject employee from [REDACTED] in connection with an official change of station.

25X1
2. In this case, Executive Order No. 9805 provides for moving a maximum of 8,750 lbs. of household and personal effects to an overseas station. CIA legislation (PL 110), and as contemplated by revised travel regulations under preparation, will permit moving effects for an employee in Mr. [REDACTED] salary range in the amount of 13,000 lbs. This is consistent with considerations given Foreign Service personnel of the Department of State.

25X1
3. As an interim measure, and to expedite shipment of [REDACTED] household and personal effects, it is recommended that approval be given to ship a maximum of 13,000 lbs.
